

COMMUNITY EYECARE WEEK

Give the gift of sight to
someone who can't afford it.

"I'm so glad you were able to help me with an eye exam and glasses - now I am confident to get a job and perform any tasks."

"Thanks to community eye care I now know I have glaucoma, the doctor and staff helped me get insurance to cover future visits and my eye drops - without it I would continue to lose my vision."

"I was wearing my brothers glasses for over 4 years (duct taped with tons of scratches) because I didn't have the money for glasses. I cannot thank you enough for what you are doing in our community."

PROFESSIONALS

We appreciate your
generosity of any amount!

WHAT IS COMMUNITY EYECARE WEEK?

During Community Eyecare Week free eye exams and prescription eyewear are provided to children and adults who need glasses and can't afford them. We are proud to support our community. In fact, our doctors and entire staff will be donating their time and service expertise to help those in need. We need your help covering the cost of eyewear.

WHY DO WE DO IT?

We believe someone's financial situation should not prevent them from seeing clearly. That's why we created Community Eyecare Week!

"We do not live on an island, isolated and insulated from those around us. A doctor must give as well as receive. I am proud of the effort I have made to help my fellow man."

- Dr. Michael Flohr

WHO CAN APPLY FOR FREE EYECARE?

People who need an eye exam and/or eyewear but are unable to afford the cost are invited to apply for a free eye exam and free pair of glasses for Community Eyecare Week.

"The smiles we get when the kids put on their brand new glasses with their correct prescription is all the payment we need. Their joy lights up the room and out hearts." - AEP Staff.

HOW DO I APPLY?

Applications will be accepted online at AEPeyecare.com/CEW. Applicants who qualify for the free services and eyewear will be notified and invited to schedule exams and eyeglass fittings at any of the Advanced Eyecare Professionals locations in Hastings, Lowell, and Ionia.

"It makes me proud to be a patient at Advanced Eyecare. Their continuous outreach to those in our community in need of access to quality eye care is top notch."

HOW CAN I HELP?

Join us as a sponsor, make a single donation, come and golf at the CEW Charity Golf Event, or all of the above.
